

Notes from St. Patrick School Office week of October 2, 2018

**Wednesday, October 3 is the last day to bring 10 cans. The non-uniform day this week is on WEDNESDAY, October 3 for grades K to 8**

**Food Drive** Thank you for your support of this community project. This is the last week to collect food for the pantries. Cash may be sent in place of cans and volunteers will do the shopping. \$10 for 10 cans = non-uniform day on **Wednesday**. We need your help. Maybe your neighbors would help. Meet us at the Mt. Zion Kroger store about 9:15am Friday, October 5, 2018 as Grades 3, 4, 5, 6, 7, & 8 students will sing, hand-carry a few cans of food and watch how food is weighed and recorded. **NOTE: Participation in the Food Drive equals 1 volunteer hour for each 10 cans sent on Fridays for a total of 5 hours – for those who have completed Protecting God's Children.**
